St. Luke's LifeWorks mission is to break the cycle of homelessness by helping people achieve — and maintain — permanent housing and stability in their lives.

St. Luke's LifeWorks (SLLW) is one of the largest providers of services to the homeless in Connecticut and the largest in lower Fairfield County. In total, we house approximately 240 people each night and serve 500-600 people each year.

Here are some examples of how YOUR SUPPORT might be used to aid our mission:

- SLLW's new Youth Services Program and Youth Center
- Our innovative Jumpstart Education and Employment Program
- Renovation and upkeep of our residences and facilities

SLLW is **unique** for several reasons

The first is the breadth of housing we provide.

By operating shelters, transitional housing and permanent housing we can break the cycle of homelessness rather than provide only a temporary fix.

The second is the scope of people whom we serve.

By serving single women, families, people with mental illness, and persons living with HIV/AIDS, we work across the spectrum of people who are homeless rather than just one segment.

The third is our approach to helping people.

We address not just the physical part of homelessness, but all the reasons a person becomes homeless. Our ability to deliver comprehensive integrated services is a key element of our success.

St. Luke's LifeWorks is also unusual for a fourth reason: our focus on results.

We measure success not by how many people we serve, but the ultimate goal: how many people achieve – and maintain – permanent housing and stability in their lives.

Overview of our Programs

Residential Programs

- Family Housing – Emergency Shelter and Transitional Housing
- Women's Housing – Emergency Shelter
- People Living with Mental Illness – Transitional Housing
- People Living with HIV/AIDS – Transitional and Permanent Supportive Housing
- Permanent Supportive Housing
